Guía de publicación para los investigadores e investigadoras UCM

Revistas indizadas Web of Science 2022 por categorías

Talca, julio 2023

Vicerrectoría de Investigación y Postgrado
Dirección de Investigación
Departamento de Gestión de la Investigación

Introducción

El presente catálogo fue realizado en el marco del plan de mejoras de la Dirección de Investigación, con el fin de proporcionar una herramienta a los investigadores e investigadoras UCM, que permita la búsqueda eficiente de revistas indizadas Web of Science (WoS) en las cuales publicar sus artículos científicos.

Este catálogo incluye las revistas indizadas 2022 (considerando: Science citation index expanded, Social science citation index y Arts and humanities citatión index), agrupadas por las categorías asignadas en WoS para cada revista, e indicando para cada una de ellas su ISSN, factor de impacto y cuartil para dicho año.

Las categorías se encuentran en orden alfabético y las revistas en cada categoría se presentan en orden decreciente considerando el factor de impacto. En caso de las categorías en que existen revistas que no cuentan con información registrada relacionada a su factor de impacto y/o cuartil, esto se identifica con la simbología **"N/A"**. Las bases de datos utilizadas para la elaboración de este documento, las cuales corresponden a Web of Science y Journal Citation Report, ambas consultadas durante el mes de julio de 2023.
