

**Guía de publicación para los
investigadores e investigadoras UCM**
Revistas indizadas Web of Science 2021
por categorías

Talca, agosto 2022

Introducción

El presente catálogo fue realizado en el marco del plan de mejoras de la Dirección de Investigación, con el fin de proporcionar una herramienta a los investigadores e investigadoras UCM, que permita la búsqueda eficiente de revistas indizadas Web of Science (WoS) en las cuales publicar sus artículos científicos.

Este catálogo incluye las revistas indizadas 2021, agrupadas por las categorías asignadas en WoS para cada revista, e indicando para cada una de ellas su ISSN, factor de impacto y cuartil para dicho año.

Las categorías se encuentran en orden alfabético y las revistas en cada categoría se presentan en orden decreciente considerando el factor de impacto. En caso de las categorías en que existen revistas que no cuentan con información registrada relacionada a su factor de impacto y/o cuartil, estas se encuentran agrupadas en orden alfabético en una tabla aparte.

La simbología “n/a” en las tablas indica que dicha información no aparece o no se encuentra disponible en las bases de datos utilizadas para la elaboración de este documento, las cuales corresponden a Web of Science y Journal Citation Report, ambas consultadas durante el mes de junio de 2022.
